

# Presents **Less Stuff ... More Life**

How to create the life you really want ... without all that excess stuff.

**Instructor: Georgina Forrest**  
Certified Professional Organizer

**The problem ...** You spend too much time looking for misplaced items, the magazine rack is overflowing, the kitchen table holds a week's worth of mail, the stairs are an obstacle course, and you're pretty sure it's official: you're in dire need of some serious clutter control!

Having too much stuff can not only drain and frustrate you, it can make it difficult to get stuff done, and it can get in the way of enjoying, not only your home but also your very life. Instead of your stuff bringing you joy ... it's stressing you out!!

**In this two-hour workshop ...** You'll learn how to navigate the tough decisions of letting go of stuff, how to plan your organizing project successfully and how to keep it organized. Discover how to make space in your home that will allow you to experience a healthier environment. Also, enjoy learning about clean air plants! You will come away inspired and motivated to start clearing out the excess stuff in your life so that you can have a life. Please call to register at 403-346-5613!
