

Uncluttered Closet

CHEAT SHEET

Step 1: Make 4 piles of clothing ...

Pile 1

I love these items. They fit me well, I feel good when I wear them and I wear them often. Keep.

Pile 2

I want to keep this, but I don't really have a logical or good reason to.

Pile 3

These clothes don't fit me or my style. No 'wish' clothing allowed – as in "I wish this still fit me." Donate.

Pile 4

These items are not in good condition. Toss.

Step 2: Next ...

Pile 1

These items go back into your closet.

Pile 2

Box these items up and put them in the back of your closet for 30 days.

Pile 3

These items get boxed/bagged up and put into your car to donate before you have time to change your mind.

Pile 4

These items go into the trash.

Be ruthless! It's time to get real about your clothing.

If after 30 days you didn't miss anything from the Pile 2 box, donate it. Do not open it.
